Hello SAMS parents!

Do you know what *your* children are doing on chat?

Please be aware that the Student CHAT Accounts have been turned off...

Please see below for some reminders for your students on how chat should be used at SAMS.

- Should only be used to support students' academics
- Should be free of inappropriate language
- Should not verbally abuse, attack, embarrass or threaten others

Thank you for your support and reminding your students of these important tips!

Student CHAT Accounts may be turned-on after our social-media information assembly.
